

ORFC 50 CLUB

The club runs a very successful "50" Club with an average 100 members each month and this raises a sum in the region of £1,000 per annum, which helps pay for travel costs. Making the "50" Club a major source of fund-raising for the club and as such the continued support of excisting members is of vital importance. We would also like to increase the number to reach the 150 if at all possible. There is a monthly draw of the excisting members which takes place at each monthly committee meeting. Each member pays £2.00 per share per month with 50% of the income going out in prizes. You may take as many shares as you wish.

If you are not a member please complete the bankers order below and return it to Olga Burton, Raasay, Grainpark, Kirkwall KW15 1UL or alternatively you may send a cheque for £24.00 for each share you wish, or you can set up a Standing Order, this will ensure your place in the monthly draws for one year. Please email qty of shares to olga_orkneyrfc@hotmail.co.uk if not sending back the below form. Cheques should be made payable to Orkney Rugby Football Club and sent along with the form to me. N.B. Those who filled in a bankers order in the past need not do anything, unless of course, you wish to purchase more shares.
